The North East Educational Foundation was created in 1985 in order to seek, cultivate, and obtain revenues to be used for developing and expanding educational opportunities for students of our North East Independent School District (NEISD). Since that time, this Foundation has fully or partially funded more than 475 projects/programs that have enriched and enhanced students' learning experience on our campuses. To support these programs we host an annual Starlight Gala, Annual Golf Tournament and sell brick pavers for the Plaza of Honor (in front of Blossom Athletic Center's Littleton Gym). In addition, many individuals designate all or part of their United Way contribution to the Foundation (**code 8050**).

While the NEISD continues to experience large increases in student enrollment, the Foundation continuously seeks new avenues to expand its capacity to fund educational projects across the school district. To that end, the Foundation Board of Directors invites you to be a Friend by supporting our **10th Annual Friends of Foundation** drive. The drive was created for those who believe in and want to support the purposes of the Foundation. To become a Friend of the Foundation simply return this form with your 100 % tax-deductible fee of \$50.00 (\$25.00 for current NEISD employees) by October 1, 2014. You will receive a Friend decal for your vehicle and your name will be listed in the NE Foundation's directory of "Friends".

Your support of the North East Educational Foundation helps provide revenue for enhancing projects that benefit our students as well as supporting education excellence in the NEISD. We invite **you** to be a **Friend** of the Foundation! **Your payment as a Friend is one more way to help our students, teachers and schools!** Thank you for your continuing support of the North East Educational Foundation.

Enclosed is **\$50\* per person or \$100 per couple** to become a 2014-15 Friend of the North East Educational Foundation. **\*\$25.00 for current NEISD employees**
