

# NEEF BRIEF

July 2023

## SPOTLIGHTING ..

Principal Diadra Williams created the Imagination Station, a room where students can explore and find their passions, with a NEEF Grant. The room has various activities such as musical instruments, a puppet theater, art easels, robotics, Legos, Magformers, and microscopes. During a visit, students performed the Three Little Pigs at the puppet show, built structures with Magformers, and built a New York City skyline with advanced-level Legos.

Fifth grader, Morgan, was building a New York City skyline with advanced-level Legos. "I like playing with Legos here because it lets me do whatever I want, and I have no limit to what I can do."

Principal Williams emphasized, "As a Title 1 campus, our children need these experiences. Simply stated, every student has a gift." Providing those opportunities and resources is what we do here at NEEF.

## EXECUTIVE DIRECTOR MESSAGE

With summer in full swing, I hope you are making plans to enjoy it. You may plan to relax on the beach or take your kids to a fun, family-friendly destination. Whatever you have planned, have you considered giving back to some great organizations during your downtime? For instance, consider supporting the North East Educational Foundation, a nonprofit organization that helps schools in the District. Your generous donations could fund innovative educational methods and equipment, such as robotics or outdoor classrooms. By supporting this wonderful organization, you'll make a real difference in the lives of students in your community. Thank you for helping us achieve our mission, and we look forward to seeing what the future holds.

Warmest regards,  
Katherine Rocha

# NEW TEACHER ORIENTATION

If you're looking for a great opportunity to promote your business, look no further! Approximately 550 new NEISD employees will be attending our New Teacher Orientation on August 1st and August 2nd. Vendor table spots are going fast, so register soon! In addition to building your business, your payment will go towards supporting educational projects within the District. Register here or scan the QR Code below: <http://weblink.donorperfect.com/SummerMarketing2023>

Easy summer living  
easy summer giving

Setting up recurring donations to the North East Educational Foundation is a breeze!
