

## EXECUTIVE DIRECTOR MESSAGE

As the new school year starts, we have been recognizing and appreciating our teachers through giveaways and grants from NEEF. These grants have been carefully selected to ensure that NEISD students receive top-notch education that goes beyond the standard curriculum and prepares them for their future endeavors, whether it's in their career or further education. To help NEEF support NEISD, you can contribute during the largest 24-hour online give-a-thon in South Texas, the Big Give. Additionally, we want to express our gratitude to our business partners for making Leadership training and New Teacher Orientation enjoyable and educational.

Warmest regards,

Katherine Rocha
