

## EXECUTIVE DIRECTOR MESSAGE

Hello everyone,

I hope you all had a fantastic summer break! As we prepare to welcome our students back, I wanted to share some exciting news. Thank you to our amazing business partners who showcased their businesses at NEISD's Summer Leadership and New Teacher Conferences last month. Your generosity helped us raise \$27,643 for the Foundation!

We're looking forward to the fun at convocation, where we'll present grant checks and offer staff the chance to win fantastic gift baskets from our sponsor, HEB. Additionally, don't miss our fundraiser at Columbia Sportswear at the Quarry from August 9-18. During this time, 10% of your purchases will go back to the North East Educational Foundation (NEEF).

Thank you for all you do for our students and community. Let's make this school year the best one yet!

## NEEF BRIEF

August 2024

### SPOTLIGHTING ...

The E-Sports grant offered a unique opportunity for students who may not typically participate in afterschool sports to share their love for gaming. Since the program's introduction, we have observed an improvement in student interactions, excitement, and academic achievement. The tournament included over 30 students from Bradley, Driscoll, Eisenhower, and Wood middle schools,

Bradley Librarian Stephanie Wilson. "The atmosphere was electric during the semi-finals and finals of Smash Brothers, a true testament to the camaraderie fostered by the E-Sports grant."

The success of this event was made possible by a generous grant from NEEF. Stephanie Wilson, Christina Reyna, April Gastinger, and Jamie Jennings all played integral roles in bringing this initiative to life.
